

Tiburon

Gated, private, and designed for elegant comfort, with masterfully integrated indoor and outdoor living, and sweeping views from Mount Tamalpais through the Golden Gate Bridge and San Francisco Skyline. Approximately 5,000 square feet of lavishly appointed interiors with the highest quality finishes and custom design. Beautiful kitchen/family area, formal living and dining rooms and luxurious top-floor master suite with stunning bath and his and her dressing areas. Wonderful outdoor living with beautiful view-oriented pool and fountains, lavish kitchen, dining patios and pool-side loggia, and stunning lawn and gardens designed by Michael Yandel – truly a private sanctuary for quiet enjoyment and solitude. Five en suite bedrooms, including guest suite with separate entrance, circular drive and 3-car garage...

\$9,750,000
