

Sausalito

Stunning views of San Francisco Bay and the financial district through walls of glass in the living and dining rooms that open to the view-side deck, provide the lifestyle that only one of the best Sausalito locations can offer, including balcony seats for Opening Day on the Bay and 4th of July fireworks. Architectural details of high, beamed ceilings, skylights and hardwood floors make the living space open, bright and inviting. Entry-level master suite with view-side deck, beautiful bath with large walk-in closet, jetted tub and separate shower, and a deck-side space perfect for a small office with a great water view. The entry-level also boasts the guest suite with its full bath. The downstairs level is the ideal children's floor with central family area and three generous bedrooms, all with access to the view-side deck, one and one-half baths, laundry room and the outdoor sports court. Total of five bedrooms, three full and two half baths...
